In the case of a serious medical emergency, involving anyone covered by this Policy, please notify Us as quickly as possible.

Repatriation of patients

If, in the opinion of the Senior medical officer, it would be preferable to repatriate a patient to Ireland, We will organise the repatriation. If You do not comply with this decision, We reserve the right to withdraw further cover for Your claim.

The decision on the method of repatriation will be at the discretion of the Senior medical officer subject to consultation with the doctor in attendance.

Remember that in the case of patients requiring repatriation, the attending doctor must provide a certificate confirming that the patient is fit to travel, since without this the airline company operators reserve the right to refuse to carry any sick or injured person.

Confirmation of payment

Hospitals or doctors abroad will be contacted and their appropriate fees guaranteed, thus eliminating the necessity for You to make payments out of Your holiday funds.

Expenses incurred in providing the above facilities will be met up to the limits specified in this Policy. The operation and availability of the service will be governed by the same general terms, conditions and exclusions that appear in this Policy.

Claims relating to minor illnesses or accidents (i.e. claims with a value of €500 or less) should be paid, where possible, by You and notified to Us within 30 days of returning from Your Trip.
